

SANDWICH CUSD #430 K-5 Learning Resources

Due to the unforeseen school closures, the K-5 schools have put together some free apps and easy to access websites and activities that students can explore and utilize during this time.

General Everyday No-tech Activities:

Read 20 minutes a day

Practice counting or math facts

Journal or free write

Write about your feelings and actions during this time... their own *"I Survived... COVID - 19"* story.

Practice sight words, letters, sounds, and spelling

Play outside (explore nature, play a sport, run, climb)

Create something (color, draw, cut, paste, sing, play)

Write a letter to someone

Help around the house (clean, cook, chores...)

Play a card or board game

[Practice Mindfulness](#) & Meditation

Resources Appropriate for All K-5

Science:

Music Education (Cont.):

Hello from Mr. A.! - Below is a set of links with some Youtube videos that will teach or reinforce basic music concepts. Some are direct in simple instruction and others play elements of music that your child may need to discuss to understand the concept. The last 18 links are dance videos where kids can have fun, move to the beat and get in some exercise.
